

Annex 2: Residency in Brittany (France) at EESAB-Lorient:

Lorient is a city, located in Brittany (France) and well known for his port area and historic maritime heritage.

The residence is organized by **EESAB-Lorient campus** and hosted by Hydrophone (<https://www.hydrophone.fr/>), a place dedicated to contemporary music scene, located in a huge bunker in the submarine former military base.

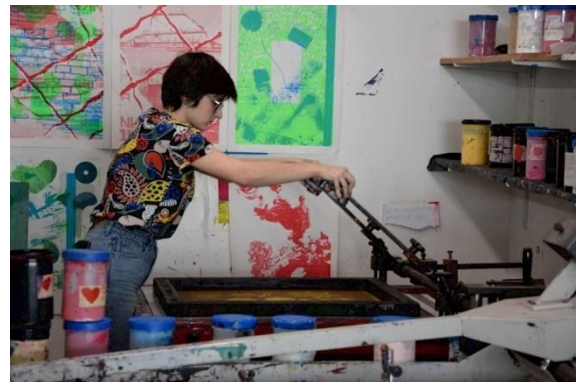

EESAB is the largest Art School in France among the 46 existing in France, having altogether around 900 students and gathering 100 teaching staff. The 4 campuses (Brest, Lorient, Quimper, Rennes) offer courses in Art, Design and Communication. (www.eesab.fr)

Technical workshops available during the residency :

- Wood (panel saw, combined, lathe, miter saw, band saw, scroll saw, power tools ...)
- Metal (welding machines, rolling machine, forge ...)
- Computer graphics (Mac and PC equipped with graphic and audiovisual software)
- Shooting studios (4)
- Printing platform (engraving, screen printing, lithography, digital press)
- Recording studios
- Individual workspaces in collective workshops
- B / W silver photography laboratory
- Various recording and sound equipment.

The selected artists will be accommodated at Hôtel le Kermoran (<https://www.hotelkeroman.com/>) close to both EESAB and Hydrophone premises.
